Sir:

In response to the outstanding Official Action mailed November 16, 2004, and further to an April 20 Personal Interview, Applicant respectfully requests reconsideration of the above-identified application.

Applicant would like to thank Examiner Li for the courtesies extended to Applicant's representative, Mr. Jason Vick, during the April 20 Interview. During the Interview Independent Claim 20 was discussed and the features therein contrasted with Okin. Specifically, it was pointed out that independent Claim 20 is directed toward an unpredictable microprocessor or microcomputer. The unpredictable microprocessor or microcomputer includes a main memory, a first RAM-type working memory, a second RAM-type working memory, a processor, a bus and a
